MESSAGE OF THE INTERNATIONAL PRESIDENT OF THE WORLD APOSTOLATE OF FATIMA CONCERNING THE ATTACK AND INVASION OF RUSSIA TO UKRAINE

On February 24th, 2022 the invasion of Ukraine started. The overwhelming powerful army of Russia started a terrible invasion on Ukraine. The civil population has been targeted and hundreds of people have died and one million of the population has seek refuge in the neighboring countries.

Our Lady of Fatima in her authentic Message, precisely in the Third Part of the Secret, which is an allegory communicating its message to us through symbolic images, requested “PENANCE, PENANCE, PENANCE” to prevent mass destruction. The image of the Angel with a flaming sword sending fire against humanity, stopped “for some time” by the brilliance and radiance of the Immaculate Heart of Mother Mary, Our Lady of Fatima, after which God’s Justice will give humanity what she deserves. In the letters of Sister Lucia to St. John Paul II this is explained further in detail and Sister Lucia clearly manifested the dangers of war and that it should be prevented “where there is still time”.

Been the World Apostolate of Fatima International the official promoter of the authentic Message of Fatima, a public association of the faithful of pontifical right, it is our duty to illuminate the hearts of the faithful with the light of hope in the definitive triumph of the Immaculate Heart of Mary promised in Fatima.

This critical situation must be confronted with the spiritual weapons we have to overcome evil. The sins of humanity and the social sins of our time have serious repercussions in today’s life.

Following the call of Pope Francis, we must recur to PENANCE, FASTING, PRAYER, ADORATION OF THE BLESSED SACRAMENT to bring peace to earth, as peace is a gift from Heaven. Moreover, as St. Jacinta used to tell Lucia, “they must ask peace to the Immaculate Heart of Mary, as God has entrusted peace to Her.”

Hereby, I propose the RENEWAL OF THE COLLEGIAL CONSECRATION this 25th of March, 2022, as we celebrate the 38th Anniversary of the ephemerides, the collegial consecration performed by St. John Paul II, a consecration that was accepted by Heaven as it pleased Our Lady of Fatima’s conditions, as per manifested by Sister Lucia. The consequences of the collegial consecration were fruitful: The collapse of the Iron Curtain and the Soviet Union, the reunification of Germany, all without bloodshed. This consecration, as St. John Paul II expressed, is permanently valid, has a perennial spiritual effect, transcending in time, based on the infinite merits of Jesus Christ our Savior, and the omnipotent intercession of the Immaculate Heart of Mary, to save the world, to save Russia, to save “those nations in most need of God’s mercy.” Please join all WAF members by praying the text used by St. John Paul II in that occasion, asking Divine Providence to deliver the world from the perils of nuclear destruction. (Text attached.)

May the Good Lord and Mother Mary grant peace to Ukraine and the full conversion of Russia and its leadership. **Remember always the four intentions of Our Lady of Fatima: The conversion of sinners; the conversion of Russia, world peace and the triumph of the Immaculate Heart of Mary.** To bring the definitive triumph of the Immaculate heart of Mary, many sinners must convert first or else we will need to be purified by great suffering. It is up to us to decide between our conversion and that of many or suffering caused by the consequences of sin. ORBIS UNUS ORANS.
